## the Concordia Experience

- Refreshingly Personal
- Academically Rigorous
- Seriously Christian

*"The fear of the LORD is the beginning of wisdom; all who follow his precepts have good understanding."*

*Psalm 111:10 (NIV)*

*We can help your child be prepared for the next level of education with excellent academics, student life and the Christian values he or she needs for today's world.*

# the Concordia Difference

## Concordia Jr.-Sr. High Offers

- A refreshingly personal learning environment where teachers know students by name, recognize their unique strengths and talents and care about their success.
- A rigorous academic program designed to prepare students for success in college.
- Outstanding teachers who strive to prepare young people for lives of faith, service and leadership.
- A fine arts faculty that equips students to develop their God-given talents, whether in instrumental music, vocal music, theater or visual art.
- A full range of boys' and girls' athletic teams, led by coaches who develop players' individual skills and teach them to be productive members of a team.
- Opportunities to serve by working with Christian human-care ministries on student service days.
- Daily religion classes, weekly chapels and an atmosphere that encourages prayer and a Christian worldview.

## Marks of Excellence

- An average ACT score of 25.0 for Concordia High School seniors from 2005 to 2010, compared with Nebraska state average of 22.0. Ninety-nine percent of Concordia High graduates in the past three years have gone on to college.
- District champions and state qualifiers in girls basketball ('09), one-act play production ('10) and volleyball ('10). Envirothon teams also qualified for state ('09 and '10). Concordia is a member of the Centennial Conference.

*"It is a blessing that my children's friends have similar values."*

*Parent of Concordia students*

*"After six weeks of attending Concordia High School, my daughter has a spark back in her eyes...she can finally be herself."*

*Parent of Concordia student*

*"Teachers pay attention to the kids... they treat them as individuals."*

*Parent of Concordia student*

## From Our Principal

At Concordia, we emphasize three things.

The first is to help students to know and trust Jesus Christ. That's of prime importance, because life with Jesus lasts forever.

The second is academics. We prepare students for success in college and beyond. That's important, because learning lasts a lifetime.

The third is activities. They help students develop skills and work toward a common goal. These activities might last only a few years, but the lessons learned last a lifetime.

I invite you to visit our campus to see the difference that Concordia can make in preparing your child for a godly and successful future.
